a writing code.

9. (Currently Amended) The computer readable medium~~software application~~ of claim 8, wherein said detailed agent commission information comprises:

policy information; and

commission detail information.

10. (Currently Amended) The computer readable medium~~software application~~ of claim 9 wherein said policy information comprises:

a policy number;

a client name;

a product name;

a company name; and

an issue date.

11. (Currently Amended) The computer readable medium~~software application~~ of claim 9, wherein said commission detail information comprises:

Application Serial No.: 09/769,526

Attorney Docket No.: 52493.000133

an estimated commission processing date for a commission;

a face amount of a policy;

a premium for a policy;

a mode for the premium of a policy; and

an issue age of a policy.

12. (Canceled)

13. (Currently Amended) A server system for enabling interactive access to and

verification of agent commission information, said system comprising:

a receiving element ~~for receiving that receives~~ agent identifying information and agent commission information, wherein said agent identifying information comprises at least one selected from the group consisting of a name, an address, and a telephone number;

a processing element ~~for analyzing and sorting that analyzes and sorts~~ the received agent identifying information and agent commission information;

a saving element for saving the agent identifying information and the agent commission information;

a displaying element ~~that provides for providing~~ an interactive display of the agent identifying information and the agent commission information;

a first interface element ~~that provides for providing~~ interactive access to a display of detailed agent identifying information; and

a second interface element ~~that provides for providing~~ interactive access to a display of detailed agent commission information;

wherein the detailed agent identifying information or the detailed agent commission information is sorted and searchable by the following hyperlinks: agent name,

Application Serial No.: 09/769,526

Attorney Docket No.: 52493.000133

policy/account, client, product, estimated gross commission and estimated procurement date;

and

initiating a policy/account, and wherein initiation of the policy/account generates a paid and pending commissions report comprising particulars on policy number, client name, product, company, issue date, estimated commission procurement date, face amount, premium, premium mode, issue age, split%, commissionable amount, commissionable rate, estimated gross commission and reference number.

14. (Previously Presented) The system of claim 13, wherein said agent identifying information further comprises:

a writing code.

15. (Original) The system of claim 13, wherein said detailed agent commission information comprises:

policy information; and

commission detail information.

16. (Original) The system of claim 15 wherein said policy information comprises:

a policy number;

a client name;

a product name;

a company name; and

an issue date.

17. (Original) The system of claim 15, wherein said commission detail information comprises:

an estimated commission processing date for a commission;

Application Serial No.: 09/769,526

Attorney Docket No.: 52493.000133

a face amount of a policy;

a premium for a policy;

a mode for the premium of a policy; and

an issue age of a policy.

18. (Canceled)

19. (Previously Presented) The method of claim 1 wherein said agent identifying information includes a name, an address, and a telephone number.

20. (Previously Presented) The computer readable medium of claim 7 wherein said agent identifying information includes a name, an address, and a telephone number.

21. (Previously Presented) The method of claim 1 wherein the detailed commission information comprises a gross commission.

22. (Previously Presented) The computer readable medium including a software application of claim 7 wherein the detailed commission information comprises a gross commission.

23. (Previously Presented) The system of claim 13 wherein the detailed commission information comprises a gross commission.

24. (New) A method for enabling interactive access to and verification of agent commission information using a data processor, said method comprising the steps of:

receiving, by the data processor, agent identifying information and agent commission information, wherein said agent identifying information comprises at least one selected from the group consisting of a name, an address, and a telephone number;
